

Senate Report
Student Evaluation of Instruction Committee
September 18, 2019
Submitted by: Nancy P. Autin, Committee Chair

Spring 2019 SEI overall response rate is 41%, up from 39% response rate of Spring 2018.

SEI Committee is currently composing research notes from findings in five areas:

1. Survey Distribution - Best Practices
2. Survey Design - Best Practices
3. Benefits of SEI for Students
4. Use of SEI in Faculty Evaluation AND to Improve Quality of Instruction
5. SEI in Distance Education

The FA19 SEI Committee meeting is in November; date pending poll results.

The College of Sciences Report is attached. It documents the college's efforts to improve response rates. This report was referenced in an SEI Committee report to the Faculty Senate during Spring 19.
