We met with Robert McKinney and discussed our draft proposal regarding joint academic appointments. Using our draft proposal as a starting point, Dr. McKinney will now confer with relevant parties to get their input. Dr. McKinney will then prepare an updated proposal and submit it to the Faculty Senate for further discussion.

As we noted at the September meeting, we welcome input from the Faculty Senate concerning our draft proposal. However, since Dr. McKinney is working on our draft, it might be best to save additional input until we receive his revision.
